Lodge Meeting 1st and 3rd Monday
Lodge open at 6PM

Morgantown Elks and Families:

Summer is half over and it seems like it should just be starting. August is upon us and dog days will be here. The hot summer days with high humidity will find us all wishing for fall. August is another busy month for our lodge with a number of events scheduled. I'm sure everyone will want to get involved and join the fun. The veterans have been a much needed blessing for our Lodge. I would like our members to come out get involved and see how the Veterans group have fun when they help us with the catered events. Fellow members, it can be a joy to come out and meet our new members and see all the members that are our main stay.

The PER's cash bash, to raise funds for our Christmas baskets, will be the August 22nd. Please buy a ticket or pick some up to sell. I will guarantee a good time will be had by all! Please help us deliver wonderful Christmas baskets like last year. We need your help! Now that we have the Veterans helping, I hope more of you will come out and join in and help us all have a great time.

Our lodge is sponsoring a Motorcycle ride on Saturday, August 29th to benefit the North Special Needs Camp held at Camp Muffley every year. We are going to have food, drinks & entertainment for all that participate. Registration at Triple S Harley is from 9:00AM – 11:00AM.

September will bring back football & those crowds we all our so proud to see. I can tell everyone that a good time is had by all that come to the Lodge. You can also come to lodge and have a great time hanging out watching game on Big Screen TV when available. So come up & cheer on the Mountaineers!

I also want to enlist all members new & old to bring in friends & family to our great organization. Please remember when you become an Elk; you have enlisted all of the Lodges as a part of your great family.

The National Convention was held 2009 in Portland, Oregon & everyone that attended had a good time but it was a lot of work and gathering of information.

I'm sure everyone knows that many Elks are struggling & some have shut their doors and there are new Elks opening their doors for the first time. If all our membership will pitch in a few hours every year we can again have a thriving club. We do so much good to help across the United States. The Elks help with Veterans. We entertain the Veterans in the nursing homes & take them to doctor's appointments & to the hospitals. The Elks help with high school scholarships. The Elks are second only to the Federal Government in giving money for College. The Elks help with the Special Needs Children Camps. We hold a numbers of youth activities every year. Please get involved. If you have questions about scholarships or any activities, stop in & visit with us. If there is something you would like to do to help get information into the schools about drug awareness & scholarships, please let me know. Our lodge can be not only a good fraternal organization; it can be a great organization. If all 220 members will give a helping hand, we can all have time for our youth & for the unfortunate.

Please remember our Veterans they have sacrificed for all of us so that we can enjoy many freedoms that we take for granted. We have the right to help one another and we have the right to sit back and watch others doing the toil. Our veterans didn't have this privilege. If you see a returning Veteran, thank them for being there for you. God Bless our Lodge # 411, our members, families and God Bless America.

Fraternally.
H.L.Haines

A Special thanks goes out to the Veterans and Volunteers who have been such an asset to the Lodge. They have helped in ways that we can never repay. This goes out to all that have given their time to help with events that I could have never done without you. Thank you so much, You have saved me from going completely crazy. They're coming to take me away, Ha! Ha! Thank you, TJ Eddy

Clydene Mason would like to thank everyone that helped in making Flag Day such a success. We could not have done it without you. Thank you.

Just a Friendly reminder
Our Kitchen is small and we have a limited work area. Some times it takes longer to get food orders out. We apologize for any inconvenience this may cause.
The food will be prepared as quickly as possible.
