**Volunteer Appreciation Night**

My Fellow Elks,

We are into December and our year has almost come to an end. I would like to take this opportunity to say thank you to all of our volunteers that have helped make this year's events possible and for all of their hard work. Because of them, we are able to keep this lodge open and operating smoothly. Again thank you!

We had some good events in November starting with WVU home games. I want to thank all of the new volunteers that showed up and helped out. It was a breath of fresh air. Again, thanks to all the new kids on the block. The HOGs (Harley Owner Group) are enjoying their meetings at the lodge. Jay, the president of the HOGs, asked me if it would be possible to continue meeting at the lodge. I told him that they are always welcome. Adopt-A-Vet was a success as usual. A big thanks to Clydene for organizing that special event for our veterans. The Murder Mystery Dinner, themed "Murder at the Juice Joint", was a fun night for all. Everyone involved had a great time dressing up in costumes from the 1920's time era. Thank you Jennifer Neptune and all of the MBA (Masters of Business Association) Members for a great show.

**Lodge Meeting:**

**DEC 3rd**

I hope everyone had a wonderful Thanksgiving week end. Now that December is here we are looking forward to Christmas and time spend with family and friends. This is the time when the words "Charity" and "Brotherly Love" come into light. A time when we are able to give to some that do not have anything.

I am looking forward to 2008 and trying to get the lodge up to a very success story with new events and new volunteers.

**DEC 17th**

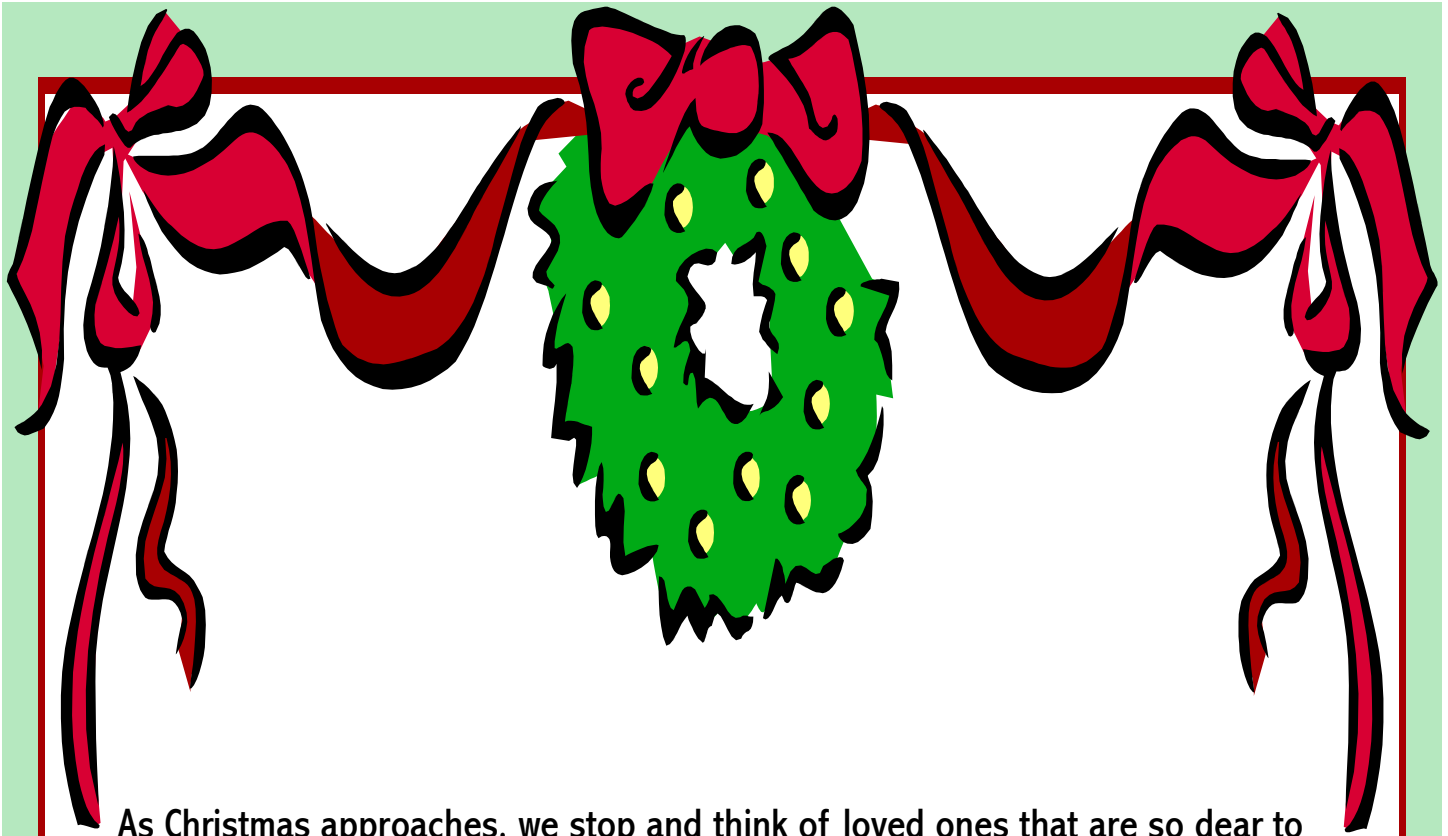

I would like to wish all of our Elks brothers and sisters and their families a very wonderful Merry Christmas and a Happy Spirit New Year. May we begin 2008 on a very positive note.

Fraternally yours,

Adam Macias

As Christmas approaches, we stop and think of loved ones that are so dear to us. Volunteer Appreciation Night is our way of thanking all of our volunteers who help keep the lodge in business. Please know that after long days at home and work, the extra time you have dedicated to the lodge throughout the year has not gone unnoticed!
