Lodge Meeting 1st and 3rd Monday

My Fellow Elks,

Looks like old man winter is here and it looks to be a very cold winter, so bundle up, stay warm, and be safe when on those roads. We've had two busy months, September and October, with four home games and the PER elimination dinner, it kept the volunteers busy. We still have one more home game to go so come out and help volunteer. Maybe we can send the Mountaineers to a Bowl game.

November and December are going to be busy for us as well. We are having Initiation night on December 1st, so if you've never been to one, except your own, please, I ask you to come and welcome our new members to the Lodge. Ashley Martin will be making a visit to the Lodge on December 15th, again I ask everyone who can attend the Lodge meeting that Monday to do so and welcome him to our Morgantown Lodge.

I would like to take this time to thank all of the volunteers who helped through out the year. Without you folks we wouldn't have a lodge and it's important to understand that our doors are open due to all the help the volunteers have done, we've put in a lot of hours this past year and the year isn't over yet we still have a lot of work ahead of us.

Let's recap on what we've accomplished this year. First, the Trustees had new windows put in the ball room, second we had the swimming pool removed and put in extra parking spaces. Third, our season parking spaces are selling out; fourth, our gambling machines are doing well for us even though we have only had them for three months. We are taking in money we didn't have, and we now have a security system for the building.

As you can see we've been a busy bunch, it is not an easy task running a lodge. I invite all new members to please come out and introduce yourselves to our old members and ask what you can do for your lodge to keep it going strong in 2009. I am looking for anyone with knowledge in Electrical, Plumbing, Carpentering, Cooking, Bartending, and anything in General. Anything a member can do saves us money to put towards other things. Most of all come on out and enjoy your Lodge.

As of December 20th our Lodge Manager TJ will no longer be with us, she put in her resignation and wants to focus on her studies. She has done an outstanding job as our Lodge manager, she was always there and very dedicated to her position as manager, it's going to be very difficult to find a manager with those qualities. So stop in and see her and tell her what a fine job she did for our lodge.

We are throwing a New Years party, tickets are for sale now. I hope everyone can come out and ring in 2009 with a BANG! I hope everyone did there American duty and voted for who ever you wanted. It's your right as an American to voice your opinion and show your support to the people who gave their lives for us to have this privilege.

Thanksgiving and Christmas are just a few weeks away, I would like to say thank you to everyone for giving me the honor of being your Exalted Ruler for 2008/2009 and hope all will have a safe holiday with family and friends. It's the time for giving thanks for what we have and for the friendships we have forged, without these we would have nothing. Have a great Thanksgiving and Christmas Holiday, and God bless all Elks and their families.

Fraternally your,

Adam Macias

Exalted Ruler
