Special points of interest:

My Fellow Elks,

How time flies, just a few more weeks and spring will be in the air but until then I hope everyone is keeping warm. This blast of artic cold has kept everybody indoors including myself. Our events have been low for January. Our New Years Eve went off very well and everyone had a good time. The Weedhawks played for over four hours without a break, my hat is off to them!

February is the month to nominate lodge officers and so I encourage everyone to come out and nominate your officers. Last month I talked to the HOGs (Harley Owner Group) and ask them if they would continue to meet at the lodge and both past president and the new president assured me that they would meet at our lodge for as long as we would have them.

Since our events are low I would like to consider a bingo night. If anyone would like to help and volunteer for this fun event please contact me.

Please keep warm and safe and enjoy the month of February. Join us at the lodge to cheer for your favorite football team on Super Bowl Sunday! Happy Valentine's Day to everyone.

Fraternally yours,
 Adam Macias
