Lodge Meeting 1st and 3rd Monday

My Fellow Elks,

2008 left us in a cloud of dust. The year went by fast leaving us scratching our heads. It was a good year for us at the Lodge. We accomplished quite a lot and I truly hope everyone had a wonderful and happy holiday

2009 promises to be a good year for us, we have a full year with events starting with "Derby Days" which is on January 31st, if you haven't been to one, please I invite you to attend, it promises to be lots of fun. So please come out and enjoy Derby Days with us.

Next month we are having a Valentine's dance on Friday, February 13th. This is the event that we will need a lot of volunteers to help out, I would like to see all the new inductees from last year to come and help for a few hours and if you don't want to help come out and enjoy the evening with us, call TJ at the lodge and put your name for volunteering, sell tickets or to buy tickets.

I am encouraging every Elk member of Lodge 411 to come out and volunteer a few hours on events we'll take any time that you can offer, our regular volunteers at times burn out and that includes myself so please come out and help out at your Lodge.

Also we will be having a Super Bowl party to cheer on your favorite team come out and cheer for the STEELERS!!

Fraternity yours,
Adam Macias

2009 State Convention News"

CLMS Workshop open to any and all, Friday afternoon immediately following the business session. Bring your laptop, but if you do not have one, please don't let this stop you from participating. It would be very desirable to have at least two persons or more from each of our 22 Lodges participate in this workshop and become familiar with CLMS

INFORMATION NEEDED

Grand Lodge has helped all of the local lodges by implementing a data system for all of the local lodges. This system stores lots of information about each of you, which helps us to be family with each other. To assist in this endeavor, I'd like to get the following information from each active member. The easiest way to do this would be to email me at jpenn@we-learn-horizon.com or at John.Penn@mail.wvu.edu . However, you can give the information to TJ (our Lodge manager) or to me at any time up at the Lodge or send it by mail to me at 1532 Point Marion Road. Anyhow, I'd like to have your spouse's name, spouse's birthday, your anniversary date, and your email address, that you check regularly for private business. Thanks for helping to get us up to date and into the 21st century
