Lodge Meeting 1st and 3rd Monday

My Fellow Elks,

Warm weather has finally arrived, a little late, but I'm glad it's here. We are making some changes in the newsletter due to the rising cost of copying & mailing. The newsletter will now be sent every other month, which will help keep the costs manageable. So, please do not look for another newsletter until the end of July.

Our lodge had a great month in May. The state convention was held at Canaan Valley Resort with all lodges attending. At the convention, Clydene Mason was awarded the North District Elk of the Year. So, when you see Clydene, please congratulate her for this great accomplishment.

June is going to be a busy month. We have the Special Needs Camp for the North District at Camp Muffly from June 22 through June 28, 2008. We, as a lodge, are committed to help out as much as we can since we are the home lodge. Please go out and get involved and help as much as you can afford. It is a great cause and if you can't volunteer, please donate items in the "Wish List".

Don't forget that Initiation will be held June 16th. I would like to see as many members attend the lodge meeting to support our new members and officers of the lodge.

In July, I will be attending the Elks National Convention in Anaheim, California. Please wish me luck on my long journey.

As a reminder, we only have a lodge meeting one time a month in July, August and September so please check your newsletter calendar for the dates.

I would like to take this opportunity to say "thanks" to Cindy for taking over as Lodge Manager while Kristen is enjoying her maternity leave. She & TJ have taken over the cooking since Red has left & in my opinion, they are doing an outstanding job. If we can find a cook to match them, we will be in good shape.

Brother Dave Casteel, as of our last lodge meeting, is still recovering in a rehabilitation center in Pittsburgh. Please keep him in your thoughts & prayers.

Have a GREAT summer and be safe in whatever you do!

Fraternally yours,

Adam Macias

Exalted Ruler

The Gun Committee would like to thank all of those who bought and sold our 10 Guns in 10 Days tickets. It was a minor success for the lodge. A very special thanks to Dawn Tatar and her professional staff at WV Jewelry and Loan for handling the prizes. Thanks again, Dave Hines, Mitch Wishart, and Matt Fowler
