Personal Care Collection

My Fellow Elks;

October has gone by us and soon we'll be having Thanksgiving dinner, but October has been good to us here at the lodge. First we were visited by our region District Deputy Scott Wilson and he sent us a very nice letter complimenting us on the way we run our lodge and how we receive our new members. Great job lodge members!

I would like to welcome our new members to the lodge meetings and hope they bring with them some new ideas.

We've had some great events throughout October. The H.O.G's (Harley Owner Group) meets every second Friday of the month and they are happy with us. Lions, Animals Friends, and the MBA class also had events here. We had a very large wedding with about 200 plus people and that made the lodge some very needed money.

But what concerns me is that we are in need of more new volunteers when these large events come along, the lodge has over 200 members and we always have the same crew of volunteers. I beg of all members to come out and help when Kristen calls, we need these big events to help pay all of our bills, electric, gas, taxes, and others things, what I don't want to do is burn out all of the same people that volunteer. So please do your part as members and help out so we can enjoy our lodge.

Our football events have done well for us. We made much needed revenue but as I sing the same old song, we need more volunteers.

On another note, Patty DeWeese (Dusty's wife) is in the hospital and is doing well, we pray for her speedy recovery.

I will be at Bridge Day the 19th and 20th for my annual jump and will miss the football game, Mississippi vs. WVU.

As we look towards November, I hope that everyone will have safe travels as you go and visit family here in West Virginia or out of state.

Happy Thanksgiving,

Fraternally yours,
 Adam Macias

Thank you Dawn Tatar for the generous donation of beautiful 40 pt. diamond earrings for a raffle item! Tickets were sold at *Shop 'Til You Drop* and the money made from the raffle is a wonderful bonus. Thanks Again Dawn!

Thanks to all our devoted volunteers for all the donations, set up and clean up help, and time dedicated to the lodge. We certainly couldn't have had such a great month without all of your help!

It is each members responsibility to keep the doors to our lodge open. 411 can only afford 3 paid employees. We rely on the members to come help keep the lodge running. Football is a large income for us. We park approx. 125 cars and shuttle 2 vans back & forth to the game. We need drivers, car parkers, bartenders, and concession sellers to make each game a success. Weddings, dinners, and dances are another money maker. We need servers, dishwashers, and clean up help to ensure a great night for all. There is always a need for grounds keeping and maintenance help too. The folks who help out have a great time doing it and know they are helping to keep our lodge in business. Our volunteers also receive a drink token and free meal for their hard work.

If each Elk offered 2 hours of their time each month, we would be able to host more events and keep this business up and running!

We have Wireless Internet available at the lodge! Bring your laptop and study with friends or finish up your work while enjoying a refreshing beverage!

The Elks 411 Ballroom is a great place to reserve for a holiday party! With plenty of space and great food, it's an affordable place to have your next event. From formal banquets to casual parties, we provide all of your party needs with elegance! We can comfortably accommodate up to 300 guests. Please call soon to hear about our great menu and book your holiday event!
