September Newsletter

Elks Lodge 411

ER Message

September is finally here. It means time for the kiddies to get back to school and our folks from the university to get back to work. I hope everyone had a great summer and has lots of stories to tell of your vacations.

September also means Football. September 2nd is our first game at home against Marshall. I hope that all of you fans can spend some time with us at the Lodge cheering on the Mountaineers.

Reflecting back, August was kind of a slow month at the 411. On the 5th was our Luau and attendance was very low compared to last year. Everyone seemed to take their vacations at the same time. Just bad timing on our part. Thoughts for next year may see us having it later in the year when people are looking forward to warmer weather. We did however have a very well done and profitable wedding reception on the 12th. Thanks to everyone who helped out

to make it such a wonderful event. And for those of you who were wondering – we can hold an event with 300+ people. It just takes LOTS of planning and creativity.

For Dawn and me the last couple of months have been exceptionally busy. July found us at the national convention in Orlando Florida. We met Elks from all over the country sharing thoughts and ideas for the betterment of all of our Lodges. To anyone who has not attended a national convention, I urge you to do so. It sure helps you put into prospective what the Elks are all about. August was our West Virginia mid year convention in Huntington. I had the pleasure of meeting our new Grand Exalted Ruler Arthur "Jack" Frost. And Morgantown Lodge had the honor of 2 students receiving Elks scholarships. We can all be

proud of the accomplishments gained over the past few years. Morgantown Lodge 411 is back and people are taking note!

Again I can't stress enough getting involved at the Lodge, especially all you new members. The best way to get to know your new brothers and sisters in the Elks is to get involved and work with them. I guarantee you will enjoy yourselves. We can always use the help and would enjoy your company. Until next month.....

Fraternally,

Duane Tatar

PS – Have you heard about the “Belly Flop Contest” at National Convention. You can bet West Virginia was participating and having fun (also raised some money for ENF in the process).
